DEDICATION

It is with great pleasure that we, the class of 1954, dedicate our book to Mrs. Kathleen Anthony. Because she understood our problems and was willing to advise us, we will always hold her in high esteem.

It is difficult for us to adequately express our happiness and honor in dedicating our senior annual to one who has done much for our class.

BOARD OF EDUCATION

Left to Right: Mr. Shira, Mr. Dexter, Supt. Barry, Mrs. VerNooy, Mr. Vico, Miss Smith, Dr. Higgins.

MR. FRANKLYN S. BARRY

If I were to visit Cortland High School as a stranger there are many things I would hope to find. I should want to see a modern well-equipped building and one that was well kept and attractive. I should look for a school, staffed with teachers who were well-trained, pleasant and ever-alert to the many changing problems confronting the young people of today. I should look for a student body that was composed of eager, courteous, hard-working boys and girls who knew that the best educational equipment in the world is none too good for the life that lies ahead of them. I should also look for an administration with a genuine understanding of people and their problems.

As one who has visited Cortland High School, I believe a stranger would find, in the largest possible measure, all of these things; and all of this set in one of the State's finest communities dedicated to giving its youth nothing but the best.

VICE-PRINCIPAL

The Senior Class has invited you to visit our school through the pages of their yearbook. We also extend this invitation to you readers because we are proud of C.H.S., and we want you to see our facilities, faculty, and students. We feel that through pictures and word descriptions the 1954 Co-Hi-An accurately presents A STORY OF CORTLAND HIGH.

You, the members of the class of 1954, have played leading roles in This Story during the past six years. You have been active in athletics, in clubs, in senior activities, and in honor societies.

Our aim has been to give you training that will aid you in writing your own Life Stories. Our wish for you is that these stories will be filled with success and happiness!

As timid seventh graders
We entered Cortland High . . .
And almost before we knew it
Eighth Grade had passed by.

The honor of being Freshmen
Thrilled us through and through . . .
But we soon became tenth graders
With much more work to do.

Our Sophomore year was ended
And our Junior year rolled 'round . . .
In '53 our Senior year
Waltzed in without a sound

Stepping up to be the leaders
We were shining with great pride . . .
Now we leave our Alma Mater
Where our thoughts will long abide.

FOOTBALL

The Cortland High Purple Tigers did not show the power typical of a college Rose Bowl team, but were unexcelled in spirit and determination. Led by Co-Captains Chuck Perfetti (honored by being selected on the All-American team) and Larry Guy, and under the able guidance of coaches John Moiseichik and Jack Hannon, the team achieved a three and five record.

Although many players will be lost, prospects for next year are bright. The Class of 1954 wishes the best of luck to next year's football team.

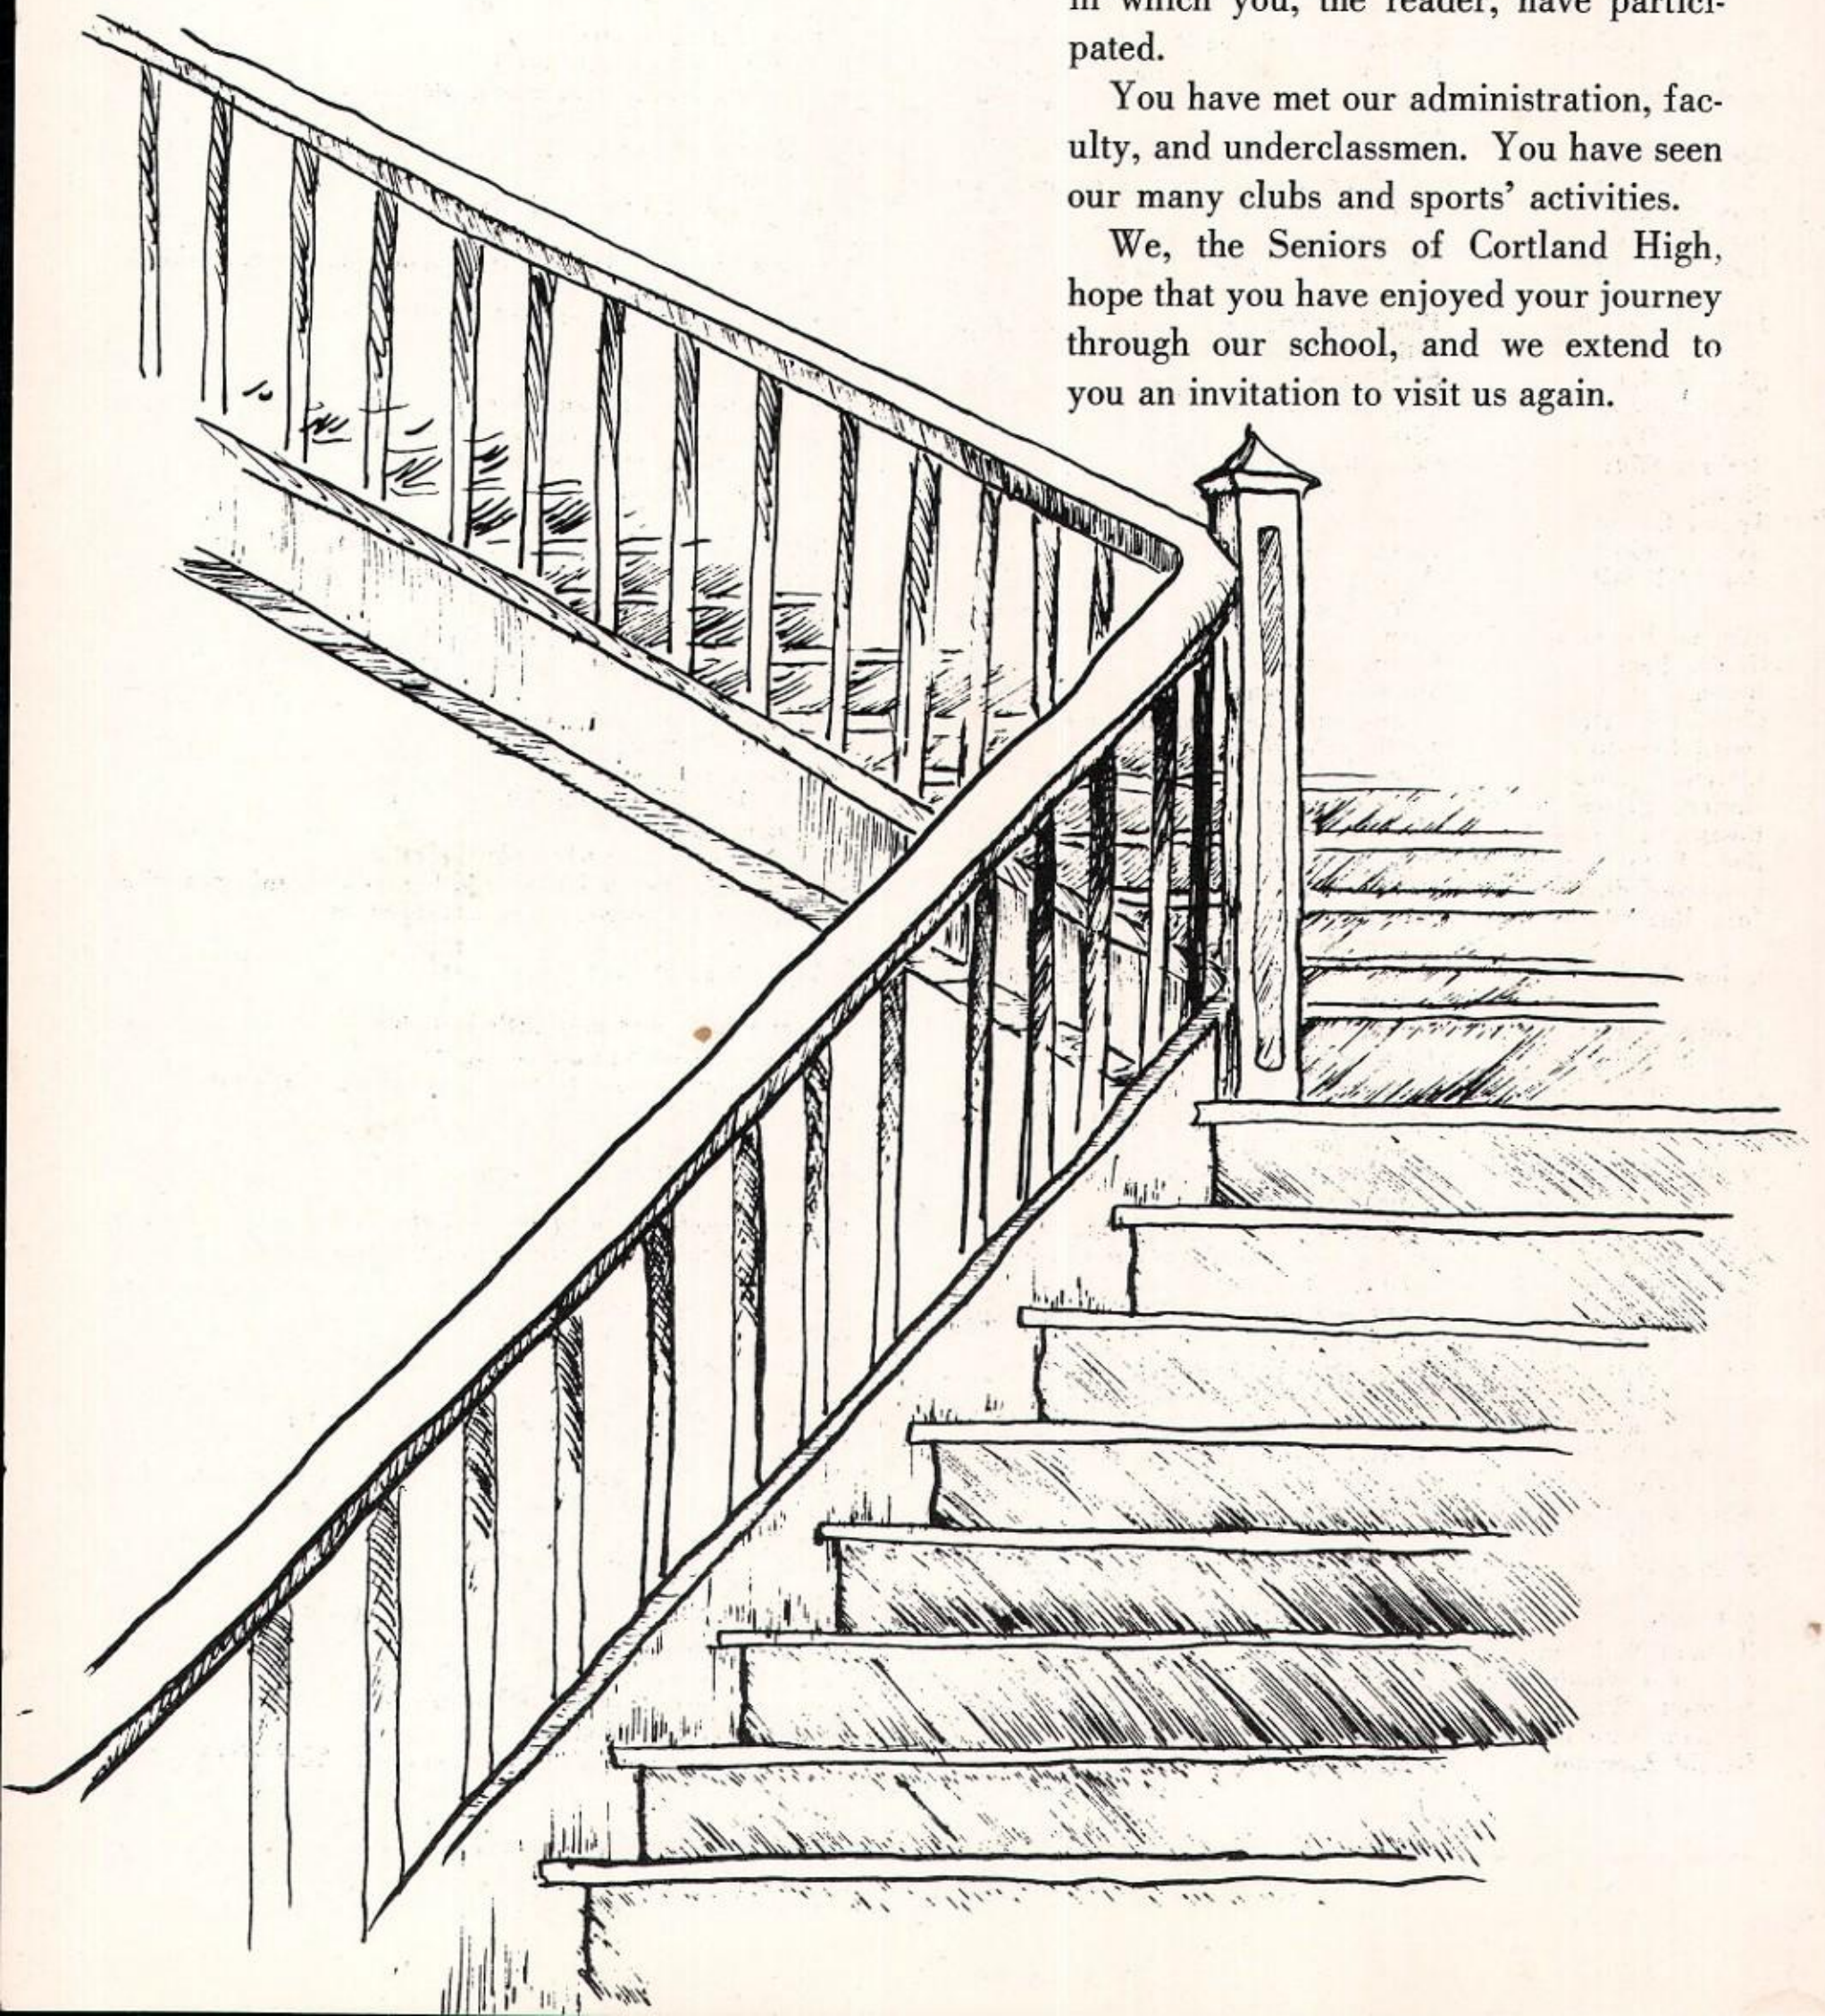
You have met our administration, faculty, and underclassmen. You have seen our many clubs and sports' activities.

We, the Seniors of Cortland High, hope that you have enjoyed your journey through our school, and we extend to you an invitation to visit us again.



Connie,
Best of luck to the best friend ever.
I hope we can always remain as good friends as we are now. You're a wonderful gal, and we have had a lot of fun together.
Your buddie always,
